I have the honour to inform you that Government's attention was invited to the fact that auctioneers are at present charging 10 % to the vendor as well as 10 % to the purchaser, whereas the maximum charge in other countries is 5 %.

2. I transmit a copy of the decision reached by the District Commissioners' Conference and should be glad if you would obtain the views of Municipalities in the matter.

ASSISTANT DISTRICT COMMISSIONER'S OFFICE
TULKARM.

24th January, 1947.

District Commissioner,
Samaria District.

/ P.D.

With reference to your 1165 of 31st December, 1946 dealing with a complaint by Zaki Eff Saffarini against the Municipal Commission, Tulkarm, I have the honour to attach the report of the President.

2. "The Municipality bought two mules at L.P. 112 in 1943. One of them was stolen, so they decided to buy a truck for health services instead of using mules and a cart. The Municipality could not obtain a truck at that time, so they decided to buy a mule through the Government, for the market price exceeded L.P. 100. Still we could not as is shown in your letters No. 1160 dated 6.2.45 and 13.2.45.
3. On receiving your letter No. 953 dated 21.7.45 the Municipality decided to buy a truck and the District Commissioner consented in his letter No. 80 dated 25th September, 1945.
4. During that time we had no alternative except to hire a mule to be used along with that of the Municipality. The hire of the mule was 250 ₪ per day and rose first to 350 ₪ and then to 500 ₪. It was impossible at that time to hire a mule at less than this price. It sometimes happened that the mule became ill and no body else would agree to hire us his mule at that price.
5. The truck was bought, but it could not reach the incinerator because of the bad road leading to it. As the road is now in good condition, the Municipality has declared through a notice in the town its need for a driver. When he will be appointed - ipso facto - the Municipality will sell its mule and cart.
6. Haj Zaki Saffarini cares nothing for the interest of the Municipality. It is becoming his hobby to smear the renown of the Municipality in submitting different kinds of such petitions. He and his brother Abdul Rahman Saffarini had a grudge against the Municipality for not issuing to them a cinema licence which would be contrary to Town Planning and other bye-laws.
7. The Municipality does not care for their prejudice so far as it knows its duties. I hope that you will see now that he has no just grounds for complaint."
8. I believe it is to be true that complainant is seeking to gain election advantage by stirring up trouble. Accordingly I recommend that the petitioner be informed that you are not prepared to interfere in this matter.

TULKARM

I have the honour to state that the Municipal Commission of Tulkarm take sides with parties in their action despite the fact that such action is contrary to law. For an example the said Commission pay LP.15 per month as a hire to a mule, to Ahmad El Aboudi, Abdul Rahim Cozmar and Abdul Ghan4 Maroun. Moreover the Commission offer forage for the mule. Twenty months have elapsed since this mule was hired. This means that the Municipality has paid till now LP.300 as a hire to this mule, whereas its cost does not exceed LP.30. Do you agree to such action? Who is responsible for the safety of the municipal rates payable by the public?
